

Hello Chattanooga Section Members & AWS Members.

This is an email to our local Members that can make it to Sequoyah Training Center for a joint AWS / ASNT Meeting to please attend.

The meeting is on Sept 15th, at Sequoyah Training Center in the Large Conference Room Across from Main Entrance.

The meeting for our ASNT Members will start at 5:30PM. (The official meeting starts at 6:00P), but we need to discuss a few things prior to the meeting start time.

AWS has set up for catering (Jason's Deli @ \$6.00 each) & the speaker (Bill Zielke (retired TVAN Welding Engineer) on Temper Bead Weld Repair)

Attached is a map to the site & directions.

Our speaker Bill Zielke has a lot of experience & knowledge in the field of welding.

Don't miss the opportunity to hopefully learn something, and even potentially share your knowledge as well.

Thanks & I hope to see you at the meeting.
